

# Eximity - Live Proctoring Solution

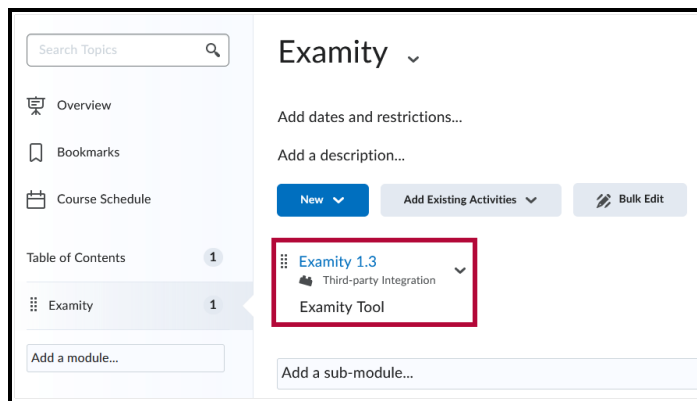

Last Modified on 02/24/2023 9:23 am CST

**Eximity** is a **live proctoring** solution utilized by Lone Star College that allows online and distance learners to take proctored exams without needing to visit a Testing Center. **All** quizzes taken in Eximity, with the exception of **Practice Quizzes**, are taken by students in front of a live **Proctor**, who will monitor your surroundings and entire desktop throughout the exam. There is no cost to students to use Eximity.

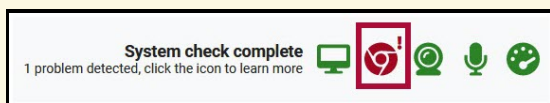

## Accessing Eximity

1. Open your course in D2L.
2. Navigate to **Content**.
3. Your Instructor will place a link in **Content** titled **[Eximity 1.3]**. Click this link to access **Eximity**.

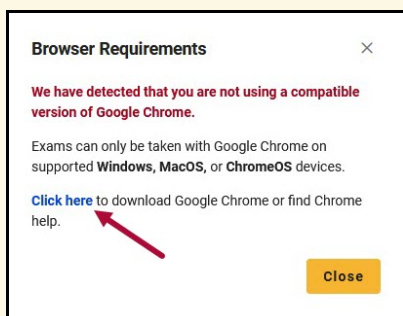

**NOTE:** Students **MUST** use this link to access all Eximity Quizzes. Students can not access an Eximity Quiz from **Course Activities > Quizzes**.

**NOTE:** Eximity only supports **Google Chrome** browser on **Windows** or **Mac** desktops/laptops and **Chromebooks**. Other browsers, as well as iPads and Android tablets, are **NOT** compatible with Eximity. If you are using another browser, or your version of Chrome is not up-to-date, you will see the following:

Clicking the red **[Chrome]** icon will bring up the following message:

You will see this message regardless of if your version of Chrome is out-of-date or if you are using a browser

other than **Google Chrome**. If you do not have Chrome, click **[Click here]** to download Chrome, and if you see this message while using Chrome, refer to this Google article on **Updating Google Chrome** (<https://support.google.com/chrome/answer/95414?hl=en&co=GENIE.Platform%3DDesktop>).

## Creating your Profile

1. Confirm your **Contact Information** and your **Time Zone**. Then click **[Next]**.

The screenshot shows the 'Set up your profile' page. On the left, a progress bar has three steps: 1. Add your information (highlighted with a blue circle), 2. Upload Your Photo ID, and 3. Create challenge questions. Below this, a section titled 'Not sure what to do?' provides support contact information: support@examity.com, and phone numbers for the United States (+1 855-392-6489), Australia (+61 2-8520-3169), UK (+44 800-086-8080), India (+91 000-80091-91077), Ireland (+353 1-800-832-210), and Germany (+49 0800-182-1105). The main form area is titled 'Tell us a bit about you' and contains several fields: 'First Name' (annotated with a red circle 1), 'Last Name' (annotated with a red circle 2), 'Username' (with a note: 'If you do not use Single Sign On (SSO) please use this username to log in to Examity.'), 'Email Address', 'Phone Number' (with a note: 'Please provide us with the best number to reach you, should we need to contact you.'), 'Country Code' (annotated with a red circle 3), 'Time Zone' (with a checkbox for 'Automatically Set Time Zone' and a dropdown menu showing '(UTC-06:00) Central Time (US And Canada)' annotated with a red circle 4), and a 'Next' button (annotated with a red circle 5).

**NOTE:** Confirm that your **Time Zone** reflects the location in which you will be testing. We recommend selecting the check box next to **[Automatically Set Time Zone]** so that Examity will choose the right time zone for you based on your location.
