There are different methods for accessing your online courses.

Show Video Walkthrough

## From the Lone Star College Homepage

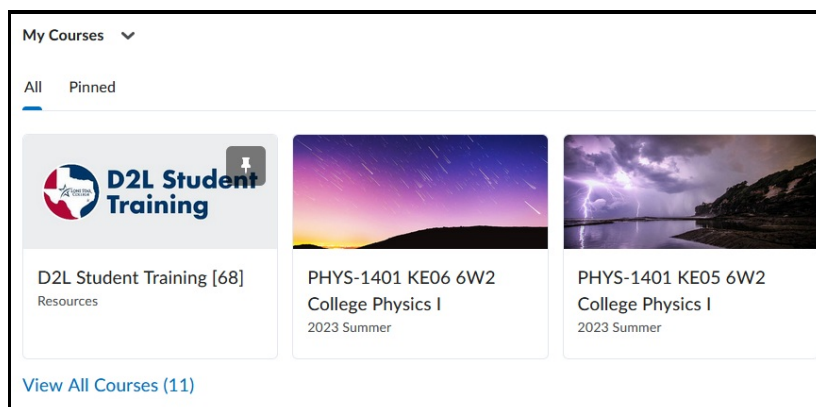

1. Visit [www.lonestar.edu](https://www.lonestar.edu). (<https://www.lonestar.edu>)
2. Click the **[Class Login]** link in the menu at the top of the page.

3. Click the **[Secure Login]** image and log in with your **LSC email address** and **password**.

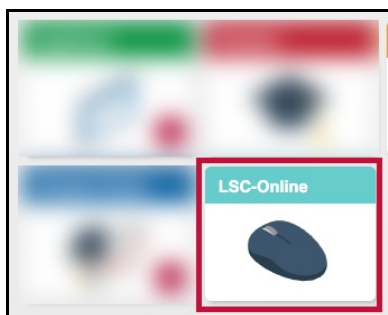

4. If your course is an online or hybrid course, you should see it in the course list under **My Courses**.

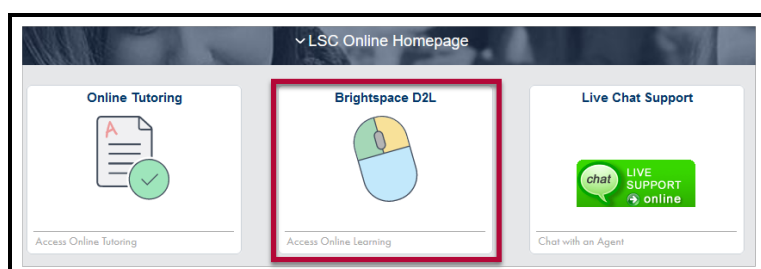

5. You may also see face-to-face courses listed. Many faculty use D2L to support their students' learning on campus.

## From the myLoneStar Portal

1. Log into [myLoneStar](http://my.lonestar.edu) (<http://my.lonestar.edu>), and head to your **[Student Homepage]**.
2. Click the **[LSC-Online]** tile.

3. Click on the **[Brightspace D2L]** tile. The **D2L Homepage** will open in a new tab.

4. If your course is an online or hybrid course, you should see it in the course list under **My Courses**.
5. You may also see face-to-face courses listed. Many faculty use D2L to support their students' learning on campus.

## Using the D2L Alternate Login

The **Alternate Login** can be used to login directly to D2L without needing to login using myLoneStar. This may be necessary if myLoneStar is experiencing technical issues.

1. Visit [www.lonestar.edu](https://www.lonestar.edu). (<https://www.lonestar.edu>)
2. Click the **[Class Login]** link in the menu at the top of the page.

3. Click **[Alternate Login]** and log in with your **LSC email address** and **password**.

4. If your course is an online or hybrid course, you should see it in the course list under **My Courses**.
5. You may also see face-to-face courses listed. Many faculty use D2L to support their students' learning on campus.

### If You Do Not See your Course

1. If you have your instructor's contact information, let your instructor know that you cannot access the course.
2. From the D2L Home page, click on **[Support]** in the Navbar. This opens the **Virtual Learning Assistance Center (VLAC)**.

3. Click on **[Technical Support]** in the left menu.

4. You can email, call, or chat for help. If the Chat attendant cannot help you immediately, a

ticket will be sent to the **LSC-Online** department. You will be contacted as soon as possible. Please provide your best contact information so we may reach you.

## IT Service Desk

If you cannot access D2L, here is the IT Service Desk contact information:

The **IT Service Desk** is available to support your technical needs and will forward tickets to **LSC-Online** as needed.
