Proctoring and Privacy

Students who are asked to use their webcams for exam proctoring, such as Respondus Monitor, and Examity, often have concerns about how their privacy is protected during those webcam sessions. Respondus Monitor, and Examity have provided literature explaining how they address privacy issues.

Privacy and Respondus Monitor (https://web.respondus.com/privacy/)

Privacy and Examity (https://www.examity.com/features/privacy-and-security/)

For other questions about online proctoring, please see Online Proctored Testing (Exams) (https://vlac.lonestar.edu/help/online-proctored-tests-exams).
